Job Title: Consultant

Department: Solutions – Consulting Services

Reports to: VP – Consulting Services

Location: Impact Americas, ideally commutable to an Impact office

Role Summary

Consultants play a number of critical roles that contribute to Impact's success through effective client work, including the design and delivery of innovative, powerful, and effective development solutions. Impact is a highly collaborative environment that requires the Consultant to creatively navigate and use all resources available to solve problems and innovate across interdependent functional adjacencies to actively promote a learning culture with the global business.

The Consultant role provides expertise and perspective as an innovative and collaborative member of Impact's Client Service Teams, positioning Impact to *liberate human potential* as a world-class experiential learning organization.

Duties and Responsibilities

External Client-Facing

- Partner with Lead/ Senior Consultant to design and deliver Impact's range of solutions at different business levels and across industry sectors, bringing confidence, passion, and inspiration to the client consulting process.
- Act as the main point of contact between the Lead Consultant and Program Manager; attend design and team meetings to ensure deep understanding of client's needs and design and delivery is completed within scope and agreed timeframes.
- Develop strong working knowledge of Impact's methodologies, pricing structure, contracting, and invoicing process.
- Leverage prior experience to develop innovative solutions in virtual and face-to-face contexts and facilitate the learning experience for participants – in real time and in the moment – around real challenges and consequential experiences.
- Complete design work to include facilitator guides, run sheets, slide decks, learning journals, briefs, virtual layouts and any resources needed and managing changes in collaboration with Lead/ Senior Consultant and Program Manager.

Supporting Responsibilities

- Provide consulting support to Business Development, Account Managers and Marketing, as needed to support commercial opportunities.
- Leverage existing knowledge, skills, and experience to add to our consulting services across the team, both full-time and Associate.
- Identify and proactively seek opportunities to consistently develop personal skills and knowledge for self and others.
- Act as a protégé for specific methodologies, such as Immersive Leadership Challenge, Participant Led Development Center and Experiential Projects.
- Maintain relationships with external partners and research program resources for key methodologies, such as In-Market Journeys and Community Action Learning.
- Contribute to strategic projects that are aligned with Impact Americas and global business priorities.

Knowledge, Skills & Abilities

- Past experience and digital fluency (asynchronous and synchronous) with applying experiential learning methodologies to client design and delivery solutions
- Demonstrate high performance by working autonomously in a self-directed manner and in collaboration with colleagues.
- Strong teaming skills with the ability to support colleagues' creativity, build trust, respectfully disagree, and learn from mistakes.
- Client-focus in a fast-paced environment with the ability to work under pressure, deliver on tight deadlines, and a proven ability to prioritize and manage complex projects and multiple stakeholders concurrently.
- Passion and enthusiasm for developing people of all levels from early career to executive board level through applying innovative approaches, generating life-changing experiences.
- Willingness to go above and beyond to deliver excellent client service in the pursuit of positive results for individuals, groups, and client organizations, while maintaining programmed profitability.
- Demonstrated background of agility, comfort with ambiguity, and the ability to be decisive, resilient, and flexible.
- Excellent written and verbal communication skills, with proficiency in Microsoft Office applications, such as Teams, PowerPoint, Word, Excel, etc.
- Proficiency in languages other than English for facilitation is an advantage.

Work Context

- This role is split between time working directly with clients (face-to-face or virtually) and time working from an Impact office or at home.
- First year of employment will focus on program delivery as part of the on-boarding process.
- Ability to work non-traditional hours, as needed when engaging with global clients and global Impact colleagues.
- Available for longer working hours, as needed; face-to-face program engagement is typically 10 hours per day but may need to be adjusted to meet specific client requirements, in cases of unexpected occurrences, last-minute changes or delays.
- Ability to travel to provide onsite program support, as needed.

Education & Experience

- 4-year bachelor's degree or combination of education and work experience
- 2+ years of experience in Learning & Development, Program Design or Human Services
