Senior Consultant

About Impact

Impact transforms organizations by liberating human potential. We do this through our unique experiential learning practice that has been honed over 40 years of collaborating with world-class companies, facilitators, and thought leaders around the globe.

Role Summary

Senior Consultants play many critical roles that contribute to Impact's success, from designing and delivering innovative and transformative solutions to building rapport with client-side senior executives to serving as trusted advisors on organizational change and leadership development challenges. Impact is a highly collaborative environment that requires the Senior Consultant to solve problems creatively and resourcefully, sometimes requiring innovations that span interdependent function and actively promote a learning culture across the global business. The Senior Consultant role provides expertise and perspective as an innovative and collaborative member of Impact's many Client Service Teams, positioning Impact to liberate human potential as a world-class experiential learning organization.

Duties & Responsibilities External Client-Facing

- Take lead on solution mapping, design, and delivery for multiple clients using Impact's range of solutions that reach varying leadership levels and across industries.
- Bring confidence, passion, and inspiration to the client consulting process by orchestrating efforts through and with clients, the Impact Client Service Team, Impact Associates, and other business partners.
- Exceed client expectations as a trusted and capable advisor, designer, and delivery partner on a local and international scale.
- Leverage prior experience to develop innovative solutions in virtual and face-to-face contexts by facilitating the learning experience for participants – in real time and in the moment – around real challenges and consequential experiences.
- Represent Impact brand values with clients, Client Service Teams, and Impact Polska's team and maintain a strong working knowledge of Impact's methodologies, pricing structure, client budget, contracting, and invoicing process.
- Partner with Business Development to provide consulting support including sales meetings, RFP submissions, proposal writing, and commercial growth opportunities within existing client accounts.

Senior Consultant Impact Polska Supporting Responsibilities

- Partner with marketing to advise and create targeted content, as needed.
- Identify and proactively seek opportunities to consistently develop personal skills and knowledge for self and others leverage existing knowledge, skills, and experience to add to our consulting services across the team, both full-time and Associate.
- Conduct research, as needed and actively support our proposition and innovation initiatives in their creation, development, and implementation.
- Operate as a strong member of the Impact global team, as needed, and participate in strategic projects that are aligned with Impact Polska and global business priorities.
- While this role does not oversee direct reports, per se, Impact expects all staff to demonstrate leadership mindsets and behaviors that align to our brand, purpose, and propositions, in support of the work and one another.
